DISCOVERY FLIGHTS

The Balvenie

65

.5 ounces of each:

14 Year Caribbean Cask + 16 Year French Oak + 21 Year Port Wood

This "Cask Finishes" flight showcases The Balvenie's role in pioneering the wood-finishing process. This specific selection showcases the distillery's signature honeyed profile across three distinct secondary maturation styles.

The Macallan Harmony Collection

70

.5 ounces of each:

Amber Meadow + Vibrant Oak + Phoenix Honey Orchard Tea

This flight consists of the last three chapters from The Macallan Harmony Collection, a limited-edition annual series that explores innovative flavor profiles. Amber Meadow honors the Scottish grasslands. Vibrant Oak honors Sherry seasoned American White Oak casks. The Phoenix is a collaboration with JINg tea to emulate the profile of rare Phoenix Honey Orchid Oolong tea.

Japanese Glory

55

.5 ounces of each:

Hibiki Harmony + Nikka Coffey "From The Barrel" + Yamazaki 12 Year

These are arguably three of the most famous Japanese whiskies and together create a structured journey from delicate blending to grain-forward complexity and finally oak-driven depth.

Komos Tequila

90

.5 ounces of each:

Reposado Rosa + Añejo Cristalino + Añejo Reserva + Extra Añejo

Master Distiller Richard Betts created these Tequilas using ex wine barrels. These are additive free and delicious!

Buffalo Trace Prohibition Collection 2025

250

.5 ounces of each:

Mirror Brook 100° B.I.B. + V.O.P. Barrel Proof + Anderson's Belle + O.F. Mountain Corn Whiskey + Silver Wedding Rye

These are highly coveted and rare, known for their extremely limited production and an example of bottled in bond, barrel proof, wheated bourbon, corn whiskey and rye whiskey.

EXPERIENCE FLIGHTS

Domaine de la Romanée-Conti

2500

.5 ounces of each Marc de Bourgogne:
1991 + 1992 + 1995 + 2000 + 2002

This is an ultra-rare "Vertical" flight of Marc de Bourgogne from Domaine de la Romanée-Conti. Unlike the distillery's famous wines, this is a pomace brandy distilled from the skins, seeds, and stalks remaining after the pressing of their legendary Pinot Noir grapes. DRC only produces a few barrels of this spirit each year, tasting five distinct vintages together is a world-class experience. These years are characterized by the underlying quality of the harvest and the decades of oak aging, often 20 plus years, they undergo.

Three Last Drops

1500

.5 ounces of each:
To START: Release No. 28 + Release No. 30

1 ounce of each:
To FInISH: Release No. 11: 1870 & 1970 Van Zeller's & Co.
"Centenario" Very Old Colheita Tawny Ports

Here we begin by contrasting an ultra-aged American Kentucky Bourbon and Rye blend next to a highly limited 20 year old Single Cask Japanese malt. This pairing offers a stark transition from the bold, high-proof intensity of Kentucky bourbon and rye to the delicate, floral, and tropical notes of Japanese whisky finished in rare Mizunara oak. The port wine offers a rare comparative study of Port history, contrasting a pre-phylloxera masterpiece with a classic modern-era vintage.

Hibiki Suntory Whisky

2500

.5 ounces Of each:
21 Year + 30 Year + 40 Year

Rather beautifully, 'Hibiki' means Resonance in Japanese, and this speaks to the artistic sensibility of the spirit. Hibiki was born in the form of a blend that was the result of sampling and tasting aged malt whiskies from one million casks at Suntory. The 21 year is widely considered the "gold standard" of the Hibiki line. The 30 year is a profound step-up in richness and depth. The 40 year is the oldest Hibiki ever created, this 2024 release is a blend of five rare whiskies from the Yamazaki, Hakushu, and Chita distilleries, including components as old as 49 years. The trio are the Rarest from the House of Suntory.

ARMAGNAC FLIGHTS

We have put these together as a cheeky opportunity to taste history itself, and to explore the beauty that is Armagnac.

Height of Disco 165

.5 ounces of each:
1970 + 1973 + 1974 + 1978

February 14, 1970 marked a cultural shift as DJ Tony Mancuso's "Love Saves The Day" at The Loft in NYC ignited disco. By 1973, "Soul Makossa" broke through as the first disco hit, followed by Gloria Gaynor topping charts in 1974. By 1978, Studio 54 reigned at peak glamour, with Donna Summer, the Bee Gees, and Chic dominating the Billboard charts.

Disco is Dead 120

.5 ounces of each:
1979 + 1981 + 1983 + 1984

On July 12, 1979, Disco Demolition Night at Comiskey Park erupted into chaos—records burned, fans stormed the field, and the White Sox forfeited the second game. By August 1, 1981, MTV launched with "Video Killed the Radio Star," ushering in a new era. The momentum carried through 1983 with Michael Jackson's *Thriller* and Madonna's debut, followed by 1984's *Born in the U.S.A.* and Run-DMC's groundbreaking rise on MTV.

"Mr Gorbachev Tear Down This Wall" 145

.5 ounces of each:
1963 + 1971 + 1987 + 1989

The Cold War, spanning from the end of WWII, was defined by pivotal moments—JFK's "Ich bin ein Berliner" in 1963, the Space Race culminating with *Salyut 1* in 1971, and Reagan's call in 1987 to tear down the wall. On November 9, 1989, the Berlin Wall fell, igniting celebration, reunification, and the beginning of the end for Eastern Bloc communism.
